CORE RANGE

Long Island Lager

This refreshing and sweet American style lager dances with light floral aromas from classic noble hops.

Sunnyside Session Ale

This sunny brew is an American Wheat, with a hard-hitting citrus twist. This session ale will allow you to stretch out the good times responsibly.

Harold Hop IPA

Low in bitterness and balanced with a rich malt for easy drinking. Blueberry and floral aromas uplift this worldly IPA leaving you with a lingering hint of spice and a deep desire to order a few more.

Ambassador Pale Ale

This lightly hopped English style ale runs smooth, begins with a toffee candy warmth and finishes with a peachy punch.

Pope's Eye Porter

Our balanced porter features all your favourite flavours including toffee, caramel and a hint of chocolate, rounded out with a roasted malt mouthfeel.

LIMITED RELEASE

New Street NEIPA

Location, location, location! This New England IPA is super hazy and juicy with a hop chaser. It features aromas of white grape and peach, a silky mouthfeel and a trailing earthy, piney hop finish.

Funkytown Sour

Inspired by the Pineapple Mojito, this sour beer is a refreshing combination of pineapple, lime, mint and rum, while being acidic enough to keep it like our hometown.... funky!

Arthurs Wheat

This German style hefeweizen has a banana punch with a hint of clove. It's naturally cloudy and heavily carbonated making it superb for outdoor drinking, just like you're soaring through the sky.

Oliver's Pils

This Czech Pilsner showcases the traditional qualities of the style – crisp, clean, and well-balanced. The malt-forward flavour with notes of biscuit, cracker and bread make this the most sought after beer in Frankston!
